

Asahi Group Sales Performance Overview (Dec. 2025)

Asahi Group Holdings, Ltd.

Due to the system disruption caused by the cyberattack that occurred on September 29, Asahi Group Holdings has postponed the disclosure of sales performance for its operating companies in Japan since September. We plan to announce the figures promptly once the systems are fully restored. In the meantime, we would like to provide the following overview for December, based on the data compiled as of today.

■ Asahi Breweries

- The preliminary revenue for December was in the upper 70% YoY.
- The preliminary revenue for October-December combined was in the low 80% YoY.

■ Asahi Soft Drinks

- The preliminary revenue for December was in the upper 70% YoY.
- The preliminary revenue for October-December combined was around 70% YoY.

■ Asahi Group Foods

- The preliminary revenue for December was in the mid 90% YoY.
- The preliminary revenue for October-December combined was around 90% YoY.
